

Date: December 16, 2024

To Whomsoever It May Concern

Mr. Bramha Deshmukh has worked with Indicus Software Pvt. Ltd., in the capacity of Technical Intern for the period mentioned below:

- **Start Date: October 01, 2024**
- **End Date: November 14, 2024**

There was no remuneration during his internship period. During this period, he worked on software development using the company's product, Contineo, an industry-agnostic, distributed data acquisition, analytics, and application enablement of AI X IoT platform building AI agents under the guidance of the Sr. Software Engineer.

Bramha's project work always remains an Intellectual Property of Indicus Software.

We wish him all the best for future career endeavors.

Thanking you,

For Indicus Software Pvt. Ltd.
